Agenda Review:

1. Biomedical Waste Management Practices in Bhota Hospital:

- Dr. Naveen Chander presented an overview of the current biomedical waste management practices in the hospital.
- Made a Presentation on Infection Control: Improper handling and disposal of biomedical waste can lead to the spread of infectious diseases among healthcare workers, patients, and the community.

2. Review of Compliance with Regulations:

- Dr. Naveen Chander provided an update on the hospital's compliance with BMWM Rules.
- Highlighted areas of improvement and potential risks.

3. Discussion on Patient & Staff Safety:

- Dr. R.K. Kanwar emphasized about Patient and Staff Safety: Healthcare workers are at risk of needlestick injuries and exposure to pathogens if biomedical waste, especially sharps, is not disposed of correctly. Proper management safeguards the health and safety of both patients and healthcare professionals.
- Advised to schedule quarterly training sessions and provide updates on regulations.
- Advised to update immunisation record of newly inducted staff.

4. Legal consequences of non-compliance with regulations:

- Discussed how non-compliance with biomedical waste management regulations can lead to legal actions, fines, and reputational damage to healthcare facilities

Action Items:

- Ms. Bandna Kumari Nuring Sister: Ensure that medical staff is immunised against Tetanus and Hepatitis B infections and the immunisation record is updated.
